

APPEAL NO. 1W OF 2010

5. 11.10.2010

An application is filed by the appellant for a direction for resumption of power supply to the appellant's unit and for giving consent to run the raw-rice mill.

Maintainability of the aforesaid application as well as the merit shall be considered on 27.11.2010, on receipt of reaction from the Board in the meantime. The R.O., S.B.C.B., Sambalpur, shall inspect the appellant's unit and submit a report to this Authority as to whether the raw-rice mill and the par-boiled are separate units and one can run independently.

A memo. has been filed on behalf of Board on 6.10.2010 indicating therein that in compliance of the direction of this Authority, the Board has issued a public notice drawing attention of all par-boiled rice mills operating in the State of Orissa to enforce the guidelines prescribed the C.P.C.B. uniformly for installation full-fledged effluent treatment system consisting of biological treatment process and air pollution control devices. Action taken on the aforesaid public notice shall be informed to this Authority on the next date, i.e., 27.11.2010.
