

**APPEAL NO. 1W OF 2010**

10. 11.05.2011

A memo. is filed in Court today by on behalf of the Board enclosing therewith the status of par-boiled rice mills operating in the State of Orissa in compliance of the direction issued by this Authority on 26.3.2011. From the aforesaid status report it appears that certain steps have been taken by the Board in issuing notices to different par-boiled rice mills to expedite the submission of the technical specifications, etc. for construction of ETP/Cyclone/Bag filter, etc. as per C.P.C.B. guidelines. It is needless to say that the Board shall undertake further follow-up action to comply with the C.P.C.B. guidelines uniformly.

In view of the orders passed by us on 26.2.2011 directing the concerned authorities to restore power supply to enable the appellant unit to undertake dismantling of the soaking in par-boiling section and demolition of the mechanical structure as well as erection and establishment of the raw rice mill and the further order dated 26.3.2011 directing compliance of the order dated 26.2.2011 on completion of the formalities of execution of the agreement by the appellant with the WESCO, no further order is required to be passed.

In view of the above, the appeal stands disposed of.
