Order
No.

2. Mr. B.P. Pattajoshi, learned legal consultant appearing for the State Pollution Control Board submits that the very order impugned in this appeal i.e. 1W of 2024 which is of the order dated 18.11.2021 passed by the State Pollution Control Board, Orissa is also under challenge before the Hon'ble High Court in W.P.(C) No.28820 of 2024 by the appellant and notice has been issued on admission of the writ petition so also on the interim application to the opp. Parties and the State Pollution Control Board has received notice.

Mr. B.P. Tripathy, learned Senior Advocate appearing for the appellant has filed a memo along with the copy of the orders dated 21.11.2024 and 03.01.2025 passed in W.P.(C) No.28820 of 2024, which are taken on record.

When we put a pertinent question to Mr. Tripathy,

learned Senior Counsel for the appellant that when these appeals were filed before this Authority and when the writ petition was filed before the Hon'ble High Court, he said that the appeals were filed on 10.05.2024 whereas since the Appellate Authority was not functioning as on the date of filing of the appeals, writ petition was filed on 03.12.2024.

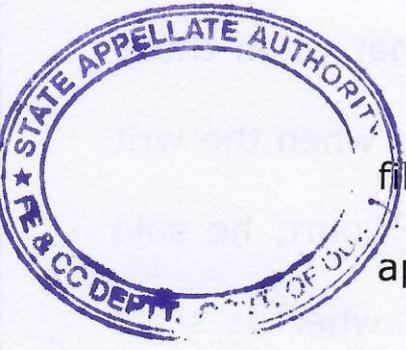

Learned counsel appearing for State Pollution Control Board submits that the next date of the writ petition is fixed to 11.02.2025 and on that date, it will be apprised to the Hon'ble High Court regarding functioning of this Authority for passing necessary order.

In view of such submission, the case stands adjourned.

List this matter on 29.03.2025 along with 1A of 2024.

Both the parties shall apprise on the next date about the status of the writ petition.

In the meantime, if the respondents so like, they can

file objection to the delay condonation petition filed by the appellant i.e. I.A. No.2 of 2024.
